SPECIAL PRICE LIST - - - SPRING 1933

WHOLESALE

JOHN LEWIS CHILDS INC.

FLOWERFIELD, LONG ISLAND, NEW YORK.

In view of the special conditions existing today,
we have decided that a catalog, such as we have issued
annually would be too inflexible as a trade medium.

We are issuing in place of our usual catalog, the
attached sheets

We propose to send out revised sheets from time
to time as the need arises, and so keep our lists in
line and in accordance with seasonal demands.

Changed prices have not adversely affected the
high quality we have always maintained. We are meeting
present conditions by giving greater value, not only
in lower prices, but also in quality and in service.
